Open Enrollment Begins at St. Mary's Institute

Amsterdam, NY [02/18/10] – Open registration for new families has begun at St. Mary's Institute located off Upper Church Street in Amsterdam. St. Mary's Institute is a Middle States Association Accredited school which serves students from early childhood through eighth grade of all religious, racial, ethnic and income backgrounds.

The school, located in the former Bishop Scully High School, offers all the amenities of a high school in an elementary setting including full science and technology labs. St. Mary's offers many extracurricular activities for both sports and academic pursuits. The teachers meet both Diocesan and state certification standards and continually participate in professional development programs to remain current with educational trends. SMI students continually meet and exceed the rigorous NYS standard assessments.

Beginning in September 2010, St. Mary's will offer a full-day three year old Early Childhood program. Children entering Early Childhood, Pre-Kindergarten and Kindergarten must be 3, 4 and 5 years old respectively by December 1 of the registration year.

To enroll, please bring a birth certificate, a record of immunizations, and baptismal certificate, if applicable. Please bring a copy of the most recent report card for new students entering grades 1-8. A \$65.00 non-refundable registration fee is required at the time of registration.

For information on curriculum, admission policies, tuition or to schedule a personal tour, please contact the school office at 842-4100 or visit the school's website at www.saintmarysinstitute.com.
